

AX

THE PLOT

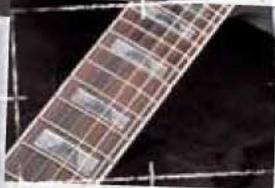

- The AX offers no-frills, raw rock and roll simplicity: two humbucking pickups, a three-way switch and a crystal-cut mahogany body. What more do you need?
- Available in models with set-in or bolt-on necks. New deluxe AXS42 offers smooth heel for easy upper fret access.

1. A smooth heel is added to the AXS's signature set-in neck for even more playing comfort on the AXS42
2. Quik Change III tailpiece provides traditional guitar looks with untraditionally easy string changes.
3. The 2006 AXS42's original-design block inlay.

2.

3.

The Ibanez Downshifter provides quick access to alternate tunings. The availability of a Downshifter on a guitar in the GAX75's price range is unprecedented.
